Software as a Service Agreement

This agreement is made and entered into on this _____ at Delhi by and between:

M/s. Jupsoft Technologies Pvt. Ltd., a company incorporated under the provisions of the Companies Act, 1956 having its Corporate Office at C-38, Second Floor, Sector 63, Noida - 201301 UP CIN: U72900DL2004PTC126102 (hereinafter referred to as "Company") through its Director.

And

Dogra Educational Trust (managing Dogra Law College, Dogra College of Education and Dogra Degree College) represented herein by Secretary, Dogra Educational Trust hereinafter referred to as "College"

Whereas Company will provide Cloud based "Jupsoft eConnect" ERP as a Service hereinafter referred to as "Jupsoft eConnect" owned and managed by the Company that offers ERP software developed specifically for colleges. It is designed for ease of use and developed keeping in mind the requirements of the college management. Jupsoft eConnect functionality spans across departments of the colleges and allows the college to manage information. The ERP based on Cloud model. This service will consist of various services for Colleges and will be accessed by students, parents, teachers, staff and Admin hereinafter referred to as "User".

THIS AGREEMENT NOW WITNESSETH AS UNDER:

I. Acceptance of the Company as Service Provider

1. The College hereby accepts the Company as service provider.

(a) **Use Rights:** During the term and subject to the terms of this Agreement, Jupsoft hereby grants to College a non-exclusive, non-transferable, non-sub licensable right to permit College's Users to use the licensed Edition of the System for Customer's business purposes. The use right in the preceding sentence is limited to use by the number of Users for which college has paid.

(b) **License and Use Restrictions:** College shall not, directly, indirectly, alone, or with another party, (i) copy, disassemble, reverse engineer, or decompile the System; (ii) Modify, create derivative works based upon, or translate the System; (iii) license, sell, rent, lease, transfer, grant any rights in or otherwise commercially exploit the System in any form to any other party, nor shall Customer attempt to do any of the foregoing or cause or permit any third party to do or attempt to do any of the foregoing, except as expressly permitted hereunder. The college acknowledges and agrees that Company shall own all right, title and interest in and to all intellectual property rights (including all derivatives or improvements thereof) in the System and any suggestions, enhancement requests, feedback, recommendations or other information provided by College or any of College's Users relating to the System.

eStamp No. : IN-DL82525158876455S

Page 1 of 7

(c) **System Administrator: User Access.** College shall designate one or more System Administrators. System Administrators shall be responsible for managing User access, including adding and subtracting Users. The System Administrator shall ensure that multiple Users do not share a password or user name. Customer acknowledges and agrees that it is prohibited from sharing passwords and/or user names with unauthorized users.

(d) **College Data:** College owns all right, title and interest in the College Data. College hereby grants to Jupsoft, a non-exclusive, non-transferable, non-sub licensable right and license to use, copy, transmit, modify and display the College Data solely for purposes of College's use of the System. Jupsoft shall not use the College Data except to improve the System and as necessary to perform its obligations hereunder.

(e) **Security:** College is solely responsible for maintaining the security of all user names and passwords granted to it, for the security of its information systems used to access the System, and for its Users' compliance with the terms of this Agreement. Customer will immediately notify Jupsoft if it becomes aware of any loss or theft or unauthorized use of any of Customer's passwords or user names. Company has the right at any time to terminate or suspend access to any User or to Customer if Jupsoft believes in good faith that such termination or suspension is necessary to preserve the security, integrity, or accessibility of the System or Company's network and will stop recovery payments from such user or customer.

II. **Description of Services to be offered by the Company**

2. Company will provide Admin Access to "eConnect ERP" with admin rights to manage all its functionalities. College can create accounts of teachers account or sub-admin accounts.

3. **ERP Modules offered:-**

- 10. Parent can give a missed call at 9899054422 to get their Login Credentials.
- 11. Company will provide Standees and other display media to aware parents about ERP.

III. Confidentiality of Data

12. Save as otherwise provided in this Agreement, the Company will secure and maintain all back-up of data/information collected from the User and disclose the same only to the College. The Company will secure the electronic storage and transmission of data using appropriate security features and every person involved with the Company/Website shall also adhere to privacy and confidentiality agreement terms herein to ensure all User's personal information is secure from third parties. Notwithstanding anything contained in this clause, the Company or its Website is not liable for where the User has himself/ herself or through their representatives shared any confidential information with any third party by providing access to his/her account or through any other external means or has given such information voluntarily. It shall be binding on the company not to share in any manner the database of the College with any third party without written consent obtained from the College.

IV. Prohibited activities

- 13. In consideration of being allowed to use the Website, the User agrees that the following actions shall constitute a material breach of these Terms and Conditions:-
 - (a) Use of any part of the Website or its services for any purpose in violation of local, state, national, or international laws.
 - (b) Post material that infringes on the intellectual property rights of others or on the privacy or publicity rights of others.
 - (c) Send or post material that is unlawful, false, obscene, defamatory, threatening, harassing, abusive, hateful, or embarrassing to the another member or any other person or entity, including writing defamatory comments about the COMPANY or the COLLEGE on the Website or any other website or blog or by any means publishing it on the internet or in any manner whatsoever.
 - (d) Allow any other person or entity to use the identification of the user while using the Website in any manner.

Force Majeure & Unintended Disruption

14. The Company/Website assumes no responsibility for any error, omission, interruption, deletion, defect, or delay in operation or transmission, communications line failure, theft or destruction, or unauthorized access to, or alteration of, User communications whether caused by Act of God or deliberate attempts of college to gain unauthorized access or otherwise. The Website Company is not responsible for any problems or technical malfunction of any telephone network or lines; computer online systems, computer equipment, failure of email or players on account of technical problems or traffic congestion on the internet or at any website or combination of them, including injury or damage to its User and/or members or to any other person's computer related to or resulting from participating with the web and/or in connection with this Site.

15. In case the User learns of any malfunctioning of any feature of the Website either on its own or through a prospective applicant he/ she shall immediately inform the Company in writing by e-mail or SMS besides making a voice call and the Company shall take reasonable measures to rectify the error in shortest possible time.

16. The Company may change the format and content of the Website at any time or suspend its operation for support or maintenance work with a week's prior notice, in order to update the content or make the Website more effective.

VI. Indemnity Clause

17. The each party shall indemnify other party of all direct claims, proceedings, cost and damage suffered by the either party resulting from material breach of this agreement caused due to his negligence.

VII. Term & Termination

18. The parties agree that this Agreement shall be binding with effect from the date of implementation, and shall remain valid unless terminated in writing by a notice to the other over email in 90 days advance. College cannot use any software or service provided after termination of this contract. Company will provide client's data in Excel Format after terminating the contract.

19. Services will be terminated in case of non-receipt of service charges within 60 days from the due date.

20. In addition to any other right or remedy it may have, either Company or College may terminate this agreement without any notice or default or judicial intervention being required, only in event that:-

(a) Proceeding in bankruptcy is instituted by or against the other party, or the other party terminates its business activities for any other reason.

(b) There is any material breach of, or material failure to comply with, any of the terms or conditions of this agreement by the other party which breach or failure is not remedied within Thirty (30) days after notice of such breach or failure. This implies if there is a issue or a bug in the existing software or features. If new requirements are raised, then it is not applicable.

VIII. Governing law & Dispute Resolution

21. The terms and conditions of this Agreement shall be governed in accordance with the Law in force within the territory of India. In case any dispute arises relating to or concerning this Agreement, then parties shall precede for an amicable settlement through arbitration under arbitration & conciliation (amended) Act 2015 by appointing one arbitrator from each party who shall further nominate an Umpire to preside over the proceedings. In the event of difference of opinion the decision of majority of the arbitration panel shall be final and binding to the parties. Remuneration of the arbitrator shall be payable by the Party appointing while the remuneration of the Umpire shall be payable by both the parties equally. All disputes shall be subject of the exclusive jurisdiction of the courts at Delhi. The venue of arbitration shall be Delhi only. The Parties shall bear the administrative expenses in equal propositions.

IX. Product Ownership:

22. The Software Product "Jupsoft eConnect" and all intellectual property rights in the software associated therewith being referred to this agreement are owned by Jupsoft Technologies Pvt. Ltd. The Software Product Jupsoft eConnect is licensed for use only in the buyer's (i.e. the College in the present) case predetermined office. The college shall not transfer the usage to any other company or person without written permission from Company.

X. Intellectual Property Rights:

23. The intellectual property rights of the software customized or otherwise remains with Jupsoft. Misuse of the software product or copying the same without prior permission is liable for legal action and termination of Agreement.

24. No Reverse Engineering, in no event shall College disassemble, decompile, or reverse engineer any Jupsoft Intellectual Property (collectively, "Jupsoft Property"), or permit others to do so. Disassembling, decompiling and reverse engineering include, without limitation: (i) converting the Jupsoft Property from a machine-readable form into a human-readable form; (ii) disassembling or decompiling the Jupsoft Property by using any means or methods to translate machine-dependent or machine-independent object code into the original human-readable source code or any approximation thereof; (iii) examining the machine-readable object code that controls the Jupsoft Property's operation and creating the original source code or any approximation thereof by, for example, studying the Jupsoft Property's behavior in response to the variety of inputs; or (iv) performing any other activity related to the Jupsoft Property that could be constructed to be reverse engineering, disassembling, or decompiling.

25. Unless otherwise expressly provided herein or otherwise agreed by the Parties, each party shall retain all right, title and interest, throughout the world, in their respective, Intellectual Property licensed/provided to the Parties or used on behalf of the Parties.

26
