Policy Document on Waste Management

Dogra Law College understands the importance of waste Management and its effects on the environment. We are committed to minimizing waste production by employing Reduction, Re-use and Recycling techniques to ensure clean, green and safe campus. Towards this end, The College has developed a clear cut policy of waste Management and its disposal. The college also believes in sensitizing and involving the staff and students in the process of waste management and its disposal.

Objectives: -

- To protect our environment from pollution.
- To make aware the stakeholders regarding the benefits of clean, green and sustainable environment.
- To promote Reduce and Reuse of waste products.
- To ensure sustainability and effective waste management system.

Policy Implementation

The whole campus is cleaned by hired staff. The college is also involving students and staff in maintaining the campus clean, green and safe like organizing Cleanliness Drive etc. The waste generated by daily cleaning is kept in large dustbins and collected by municipal corporation vehicle on daily basis. The college encourages environment friendly practices which are as follows:

1. Solid Waste Management: -

- To reduce waste at the college the students and staff are educated on proper waste management practices through lectures, advertisements on notice boards and displaying slogan boards in the campus.
- Solid waste like glass, metals, plastics, newspapers, magazines are collected on a daily bases and disposed off from time to time with the scrap dealer.
- Dustbin has been installed at different points of college separately for solid waste.
- Different colored dustbins are installed for segregation of solid waste in the college campus.

(Recognized by UGC Under Section 2(f) of the UGC Act 1956)

"MALUK BHAWAN", BASSI KALAN, BARI BRAHMANA, SAMBA - 181133

- Cleaning and emptying of dustbins are done on regular basis every day.
- Municipality vehicles on daily basis carry the waste away
- College strictly follows the guidelines regarding no plastic usage and has prohibited the use of "single use plastic" like carry bags, plastic water bottles.

2. E-Waste Management: -

- E-Waste mainly includes obsolete and dysfunctional devices such as computer systems, servers, Monitors, Printers, Scanners, Copier etc.
- Though not much e-waste is generated in the institution on a daily basis, the electronic waste in the college includes discarded electrical or electronic devices such as used electronic parts fused electric bulbs, wires, computer peripherals broken or unusable.
- Electronic gadgets are repaired for minor defects to ensure its optimum utilization.
- The items like printer cartridges are refilled and used and the unusable items are disposed.

3. Liquid Waste Management: -

- The Institution provides provisions for the handling of liquid waste generated from the washrooms, toilets in the septic tanks located in the outermost boundary of college.
- Liquid waste generated through washing, cleaning and urination is safely disposed off in the septic tank.
- Proper sewage system is present in all the washrooms of the college, appropriate care is taken to see that there is no water stagnation to discourage mosquito breeding.

Green Campus Policy

The Dogra Law College has constantly and firmly believed in maintaining a green, clean and safe environment in the institution. The entire campus is well maintained with a rich collection of trees and plants that make the environment free from carbon dioxide and to maintain good health of staff and students.

The following are some of the guidelines to provide a carbon free energy environment.

- Students and staff are encouraged to use bicycles and public transport. The Institution provides good transportation facility for the staff and students.
- The college has sufficient space for parking. Separate parking area for the vehicles of staff members and students.
- Entry of vehicles is restricted in to the campus beyond a certain point. Students should park their two/Four wheeler in the prescribed parking area only. Students, faculty, staff and visitors must park in designated parking areas at all times.
- The speed limit inside the campus should not cross 10 kmph. Vehicles are parked away from the academic buildings to reduce the sound and air pollution.
- Security guards are employed for strict monitoring of entry of students vehicles in the campus. Visitors register is maintained for the entry of visitors, staff and students.
- Awareness is being created amongst the staff and the students to reduce the use of plastic. "Say No to Plastic" sign boards have been displayed at prominent places in the campus.

"MALUK BHAWAN", BASSI KALAN, BARI BRAHMANA, SAMBA - 181133

- Ban on use of single use of plastic in canteen, hostel and inside the campus.
- Regular events are organized to reduce the use of plastics as an awareness exercise.
- The college encourages Pedestrian friendly pathways inside the campus which are friendly to the inmates of the campus. The pathways are arranged with trees and plants and are well maintained by gardener appointed by the college.
- The campus is enriched with greenery which includes bushes, trees and ornamental trees for maintaining biodiversity.
- Display boards mentioning messages related to environment protection are displayed at relevant location in the campus .
- Education on Environment and Sustainability is part of the contemporary curriculum to create awareness among students on environment and sustainability.
- Installation of necessary alternative facilities like water units to avoid the use of plastic water bottles and to encourage the use of alternative solutions like cloth bags, paper bags etc, instead of plastic bottles and plastic bags.
- The college encourages initiatives like plantation drive, Cleanliness drive that will help to expand green Coverage
